Dear Dr. Ganz,

My smile shows how pleased I am with my experience at The Dental Spa at Garden City. Dr Ganz and his entire staff were very professional and flexible. Their expertise was evident from the get-go. Thank you to all of you for being such amazing people. You have a remarkable way of making people feel very comfortable and in good hands. Thank you all for your great work you've done on me, I feel so much more confident and beautiful everyday. Friends and family ask me constantly what is so different about me. I just smile and tell them it's just the new me. I've always tried to hide my teeth on pictures, now I can't stop smiling and showing them off.

Thank you again.
