**At Last — Stress-free Dentistry**

You'll feel comfortable and even pampered at The Dental Spa at Garden City, where everything possible is done to make your visit non-stressful. Cary H. Ganz, DDS, has 30 years of experience as a dentist, and is a sought-after expert who has lectured at prestigious dental meetings around the world. His new facility has been designed to provide patients with every convenience as well as the most technologically-advanced treatments currently available in an atmosphere of total comfort, trust and relaxation.

As Dr. Ganz's patients arrive, they are greeted by the friendly office staff and invited to relax in the reception area with a cup of fresh coffee, cappuccino or tea and a choice of home baked cookies and cakes. In the treatment area you will be greeted by a variety of pleasant aromas designed to relax you. While work is done, you can watch TV or surf the Web in technologically designed treatment rooms.

Dr. Ganz offers a full range of cosmetic services including implants, Lumineers®, smile makeovers, tooth whitening and porcelain crowns, inlays and laminate veneers. Those with dental anxiety will be delighted to know that Dr. Ganz's office has been in the forefront of laser dentistry since its introduction into the dental profession.
